Electronic Submittal of 2010 UWMP to DWR

At the time that this 2010 UWMP was adopted in June 2011, the DWR On-Line Submittal Tool (DOST) was not yet available for submittal of the 2010 UWMPs to DWR. The City of Ceres will submit a hard copy and CD copy of the 2010 UWMP to DWR as required by the Water Code.

Subsequent submittal of the 2010 UWMP to DWR using DOST will be done when the tool becomes available.
